

- Sign into Online Banking
- Click on the "Options" tab, then click on "Mobile Settings" and click on "Text Mobile Settings"
- Check the boxes to enable text access and accept the terms & conditions
- Enter your mobile phone number and select you wireless service provider from the drop down list
- Select the accounts you would like to access via Mobile Text Banking entering a mobile short name for the account and click "Submit"
- A confirmation text will be sent with instructions to reply "YES" to enroll
- Use the list of text commands in the bottom right to send a text to 89549 (ex- the mobile short name for the checking acct, is "checking" so texting "bal checking " to 89549 will result in a text back with checking acct balance)
- Create the text number 89549 as a "Contact" on your phone with the name MVB, bank or something similar for easy access

**Text Commands – same as below just larger for easier viewing**
